# Zittles:

## Paperbacne:

The kind of acne you'd like to hide behind a book.

## Oppozits:

Two matching pimples—one on each cheek.

"Zittles" are brand new words for the same old bums—acne pimples. What can you do about them? Launch a major Zitskrieg with the unbeatable medicine in Oxy 10<sup>®</sup>, Oxy 10<sup>®</sup> Cover, Oxy 5<sup>®</sup> and Oxy 10<sup>®</sup> Wash. They all contain a potent measure of benzoyl peroxide, the very stuff that brought acne medicine out of the Dark Ages.

In fact, to kill acne bacteria and help prevent new pimples from forming, there's nothing stronger you can buy without a prescription.

Next question: How clean can you get your skin? You know all those little embedded blackheads that like to call your nose home? Oxy Clean<sup>®</sup> softens them up—helps send them floating down the drain.

Oxy Clean Medicated Pads, Cleanser, Soap and Scrub lift away dirt and oil so well you can actually prevent new pimples from starting in the first place.

So, if you're hiding your Paperbacne behind this magazine, get Oxy and get your face ready to face the world.

**OXY** Because zits are no laughing matter.

**THEY'VE GOT THE POWER.  
YOU'VE GOT THE CONTROL.**

# BODY BUILDER

Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC spe-

cial effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.
